CELEBRATE RECOVERY

LEADER'S MANUAL

CELEBRATE RECOVERY®

Vision and Mission

Celebrate Recovery exists to help people find freedom from hurts, habits, and hangups through the power of Jesus Christ and the support of community. This vision accomplishes Garden City's mission of living the life and telling the story.

Ministry Director Leadership Requirements

The Ministry Director of any auxiliary ministry bear the primary responsibility for ensuring that the ministry aligns with the mission, vision, and values of Garden City Church. These leaders are the direct representatives of the church and must meet the following criteria:

Active Church Attendance:
The Ministry Director must be active attendees of Garden City Church. Their regular participation in the life of the church ensures they are connected and aligned with the church's community and teachings.

Completion of Discipleship Classes:
All Ministry Directors are required to complete the church's series of discipleship classes. This ensures they are fully equipped, grounded in the Word, and aligned with the teachings and values of Garden City Church.

Representation of Vision and Mission:
Ministry Directors must clearly represent the vision and mission of Garden City Church in all aspects of their ministry. They are ambassadors of the church's core purpose: "Live the Life. Tell the Story."

Spiritual Integrity:
Ministry Directors must be born-again believers who live a life that reflects the teachings of Jesus Christ. Their lifestyle should exemplify biblical principles and set a positive example for others.

Agreement with Church Values:
Even if Ministry Directors have minor doctrinal differences, they must agree to uphold and never oppose the core values of Garden City Church. They are entrusted with representing the church's values faithfully and accurately.

Boundaries & Expectations

Maintaining proper boundaries is essential to ensure that auxiliary ministries operate effectively and do not conflict with the broader mission of Garden City Church.

COMMUNICATION GUIDELINES

Regular Updates:
The Ministry Director should provide regular updates to church leadership, including reports on activities, challenges, and successes.

Collaboration with Other Ministries:
Auxiliary ministries are encouraged to collaborate with other church ministries to enhance their impact and effectiveness.

Feedback and Accountability:
Leaders should be open to feedback from church leadership and be accountable for the ministry's operations and outcomes.

Methods of Operation

Utilization of Church Space:
Ministries that use church facilities must do so responsibly, ensuring that the space is respected and properly cleaned after each use. Any changes or modifications to the space must be approved by church leadership.

Volunteer Participation:
Volunteers from outside the church are welcome but must be born-again believers who will not oppose the values of Garden City Church. Volunteers should be briefed on the church's mission and values to ensure consistency in ministry representation.

Chain of Command:
Clear lines of communication must be established within the ministry. Leaders should regularly communicate with church leadership to ensure alignment and address any issues that may arise. Ministry leaders are accountable to the church's pastoral team and must submit regular reports on the ministry's activities and progress.

Conclusion

Celebrate Recovery is a valuable part of Garden City Church's mission to extend the love of Christ to our community and beyond. By adhering to the guidelines and principles outlined in this manual, this ministry can operate effectively, uphold the values of our church, and contribute to the Kingdom of God.

We are excited to support and empower our church community to lead such auxiliary ministries that reflect the heart of Garden City Church. Let us continue to "Live the Life and Tell the Story," reaching more people with the hope and love of Jesus Christ.

POSITION ON INTOXICATION AND SOBRIETY

"Be alert and of sober mind. Your enemy the devil prowls around like a roaring lion looking for someone to devour." - 1 Peter 5:8

As this is a ministry focused on recovery from a variety of addictions, we challenge our leadership to actively pursue freedom from all vices, including alcohol, tobacco products, marijuana, and all other mind-altering substances. We believe we cannot help a person into freedom unless we have experienced or are pursuing that same freedom ourselves. The Ministry Director of Celebrate Recovery is expected to completely abstain from all such substances.
